

### 5 CORE POLICY DIRECTIONS

- SUSTAINABLE DIGITAL INFRASTRUCTURE AS GLOBAL PRIORITY
- SAFETY AND ETHICS AS NON-NEGOTIABLE PROTECTIONS
- TEACHERS REMAIN IRREPLACEABLE IN EDUCATION
- AI FOR ALL - INCLUSIVE OF ALL CULTURES AND CONTEXTS
- GLOBAL SOLIDARITY - SHARED STANDARDS NEEDED

### KEY WARNINGS

- Risk of cognitive offloading - students losing critical thinking skills
- Danger of reducing education to algorithmic efficiency
- Academic integrity challenges require urgent attention

### PRIORITY ACTIONS FOR OUR INSTITUTION

#### For Faculty:

- **Invest in AI literacy training for all educators**
- **Protect teacher autonomy while embracing AI tools**
- **Focus on evidence-informed practices**

#### For Students:

- **Implement UNESCO AI Competency Framework (2024)**
- **Strengthen critical thinking and higher-order skills**
- **Prevent overreliance on AI systems**

#### For Institution:

- **Develop comprehensive AI strategy**
- **Balance top-down guidance with bottom-up innovation**
- **Create governance mechanisms for impact evaluation**

## EQUITY & INCLUSION MUST-HAVES

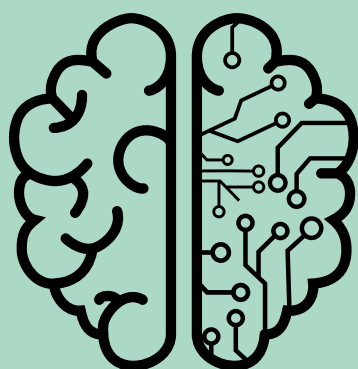

- EXPLICIT SUPPORT FOR STUDENTS WITH DISABILITIES
- POLICIES FOR DISADVANTAGED LEARNERS
- SAFE AND EQUITABLE AI IMPLEMENTATION
- ADDRESS LINGUISTIC AND CULTURAL DIVERSITY

## BOTTOM LINE

AI CAN TRANSFORM EDUCATION, BUT WE MUST  
PRIORITIZE:

- TEACHER AGENCY
- STUDENT CRITICAL THINKING
- ETHICAL IMPLEMENTATION
- HUMAN-CENTERED APPROACH
