

## ONLINE ELAE STAGE 2

### SPEAKING SECTION SAMPLE TASK

The exam consists of 3 main stages. The first stage is a general introduction and it is not assessed. After the general introduction, there are two assessed timed tasks (Part 1 and Part 2). During any of the tasks the assessor might interrupt you at the end of the allocated time for each task. For each task, make sure you talk until the teacher stops you - until your time is up. Give detailed descriptions, examples and so on so that you can fully demonstrate your speaking ability.

#### Greetings & General Introduction

In this section of the exam, you will be asked general, personal questions. You can speak up to 2 minutes in this section. This section is **not** assessed.

Sample questions:

- *Good morning. How are you? What's your name?*

You will talk about the follow up question for 1 minute.
